

Protect yourself and your family from an unexpected death or terminal illness.

The *Family Protection Plan* is a term insurance policy that provides a guaranteed level premium to age 100* and a level death benefit projected to remain level to age 100. The coverage amount cannot be individually decreased on a particular insured due to a change in age, health, or employment status. This plan also pays the insured 30%* of the policy coverage amount in a lump sum upon the occurrence of a terminal condition that will result in a limited life span of less than 12 months.

- Term insurance to age 100*
- Family coverage for employee, spouse, children and grandchildren
- Low premiums
- No medical exam required
- Coverage continues when you retire or change jobs
- Voluntary participation - you can meet individually with a counselor to design the plan that's right for you

**State variations apply. Not approved in all states.*
