The Family Protection Plan Offers:

Critical Illness Benefits

When you need it most, you can collect 30% of the policy's death benefits upon the occurrence of one of four major health conditions—heart attack, life threatening cancer, stroke or cardiac bypass surgery.

No Restrictions

You can use the critical illness benefit any way that best meets your needs.

Family Protection

You can purchase coverage on yourself, your spouse or children. *Please have your spouse and children's social security numbers and dates of birth available when applying for family coverage.*

Low Premiums

The Family Protection Plan is level premium to age 100. Smokers and non-smokers share the same low cost rate. These special rates only offered through your employer.

Convenience

Premium payments are deducted from your paycheck. You won't have to worry about missing a payment, writing checks, or buying a stamp.

Easy Qualification

There is no routine medical exam required for The Family Protection Plan. You simply need to answer a few health questions on the application.

Ongoing Coverage

Your policy goes with you when you retire or if you change jobs—at no increase in premium or coverage reduction.

Voluntary Participation

There is no pressure to buy. You can meet individually with a counselor to design the right plan for you. It's your choice.
